LOUISA, LAWRENCE COUNTY, KENTUCKY, APRIL 15, 1921.

M. F. CONLEY and E. K. SPENCER, Publishers

MONEY WILL BE SPENT ON ROAD TO BLAINE TOWN

The Fiscal Court has made an appropriation of \$95,000 to be spent on the road from Louisa to the Morgan and Elliott county lines by way of the town of Blaine. This is from the proceeds of the bond issue.

Proper surveys are to be made to avoid fatal errors in location. Changes in the old road at some places are imperative.

It is presumed that co-operation with the State road department will be sought by the officials. County Judge Willifliffe Rife is authorized to employ a competent road engineer and in the event no other arrangement is made for a survey this authority will doubtless be exercised.

Other Roads to be Worked.

The court also appropriated \$6500 of funds already on hand to be used in repairing the following roads: work to start just as soon as possible:

Blaine-Louisville, \$3000.

Blaine-Wolville, \$1000.

Louis-Webbville, \$1500.

Little Blaine-Charley, \$700.

Louis-Irad, \$1000.

Adams-Wilson, \$500.

Green Valley-East Fork, \$300.

Month of Georges Creek via Charley to Johnson county line, \$500.

The order provides that D. L. Thompson is to appoint foremen for these roads, with the advice and consent of the magistrate in whose district the work is to be done. Also, the order fixes the maximum wages at 60¢ per hour for foremen, 62½¢ for men and team, 30¢ for man. Payment in cash the 1st and 15th of each month.

For the Point Road.

\$33,000 is the amount made available for the road from Louisa to the Martin county line, mentioned in this paper last week. This road is on the State map and therefore the department will expend the money.

Citizens to Work Roads.

The court made an order directing men from 18 to 60 years old to work six days in the year on the public roads.

Large Increases Made by County Equalizers

The county board of equalization completed its work last week. \$800 persons were given notices of values in their property values and most of them were here to combat the increases. The total raises and listing retained by the board amount to \$782,666.

ALFRED HAY AND MISS LEORA FYFFE MARRIED

The above named couple were married at Hamilton, Ohio, a few days ago at the home of the bride's father, John F. Fyffe. Mr. Hay holds a good position at Elkhorn City and the young couple will reside there. He is a son of H. H. Hay, of Elliott county. Mr. Fyffe moved to Hamilton from upper Blaine about a year ago.

IF YOU HAVE TOOTHACHE, YOU'RE OUT O' LUCK

Dr. H. H. Sparks and wife, Dr. and Mrs. F. A. Millard are in Louisville attending the annual meeting of the Kentucky Dental Association. They left Tuesday and expect to be away until the last of the week.

CONTRIBUTIONS WANTED FOR CHINESE FAMINE FUND

Mr. J. P. Gartin has been appointed chairman of Lawrence county for the Chinese Famine Fund. Contributions from Lawrence county citizens can be sent to Mr. Gartin or to any bank in Kentucky and same will be credited to the fund from Lawrence county.

Millions are starving in China and the United States is doing a large share of the world's relief work, as usual.

WEST VIRGINIA CITIES WILL RETAIN IDENTITY

The movement for Huntington to annex Ceredo has been killed by the action of the Legislature. Also it is thought the proposition for Kenova and Ceredo to join hands and become one city is dead.

CHILD DIES.

The funeral of the three-year-old child of Fred Burke was conducted Friday morning by Revs. H. B. Hewlett and J. Q. Bell. The body was taken to Catalina for burial.

FRUIT ALL KILLED.

The three frosts within the last week have killed all the fruit in this part of the country. The cold had passed by Tuesday, of this and the weather is again normal.

Rev. H. B. Hewlett was at Yatowilla last Thursday and preached the funeral of his cousin, Mrs. French Rice. She was a daughter of Jeptha Hewlett. Rev. Hewlett's father was H. B. Hewlett. The same is to this county many years ago from Virginia.

J. E. McCoy, editor of the Pike County News, died in New York a few days ago.

McCoy is from Cincinnati and his brother Jack is in the store.

FEUDIST SURRENDERS; ADHERENTS ARRESTED

Borbourville, Ky.—Surrender of John Bailey, fugitive slayer, and indictment of his father, William Bailey, brother, James Bailey, deputy sheriff George Perry, and partisan, John Lee, were developments in the revival of the White-Bailey feud.

John Bailey, who escaped after killing Beverly White, surrendered while a posse of deputy sheriffs and Baileys forces was continuing his search.

He came here with a dozen armed adherents, and agreed to give himself up after Sheriff Black obtained an order to take him to the Harlan county jail. His bodyguard said they would die with their boots on before consenting to his being imprisoned here and exposed to an attack by White followers.

Sheriff Black, five deputies, and a number of Bailey men accompanied the prisoner to Harlan.

William Bailey was served with a warrant charging a conspiracy to murder Beverly White. Officers have gone to Harlan to serve warrants on the two other indicted feudists.

REV. CARSON TAYLOR IS IN ALABAMA

There is peace and good cheer in the home of the Rev. Carson Taylor, Louisville.

A telegram received Friday from Roanoke, Ala., is the reason.

The peripatetic evangelist announced that he was well and conducting an evangelistic campaign in the Second Baptist Church of that town.

Mr. Taylor said he had learned his absence had caused worry to his family. He said he had written to his wife, but had not received letters she sent to him. Mrs. Taylor also failed to receive her husband's letters.—Londerville Times.

Violence Renewed in Mingo Coal Field

Williamson, W. Va.—N. H. Atwood and James Overstreet, two of twenty-four defendants in the Matewan battle cases, and Charles Whisman and Arnold Umberger, said to be non-union miners, were arrested at Matewan by State troopers, following a fight at the railroad station. Atwood's threat was cut badly.

The fight was the result of a controversy over the industrial situation in Mingo county. A miners' strike has been in progress in the region since last July.

Reports have also been received that an automobile in which Ray Hope, William Hamilton, and James Perdue were riding from Matewan to Red Jacket had been fired upon by unidentified persons. The occupants escaped injury. Hope and Hamilton were summoned by the State as witnesses in the Matewan battle trial.

Sid Hatfield, who was principal defendant in the trial, has been succeeded by Garret Kengers as chief of police of Matewan. Hatfield's term had expired, but no reason has been learned why the town council failed to re-elect him.

JOHN BURCHETT DIES AFTER SHORT ILLNESS

John Burchett, known as "Big John," died at his home in Blaine last Friday. He was about sixty years of age and was the son of Calvin Burchett and nephew of Robt. Burchett, of this place. He had been sick only five days. Peritonitis and typhoid fever caused his death. His wife and several grown children survive.

The funeral and burial took place Saturday from the home at Madge.

DOCK JORDAN, Supt.

COUNTY OFFICERS SALARIES RAISED BY FISCAL COURT

The Lawrence Fiscal Court has increased the salary of the County Judge from \$600 to \$1200 per annum, to become effective next January. The law does not permit a salary increase to apply to an official already in office. This increase is smaller than was generally expected, but should help the situation considerably.

The salary of the County Attorney was increased to \$1000 per year. This will become effective at the same time as the other.

The duties of these officials has grown very considerably and with a large road building program ahead of us there will be heavy demands upon them.

While the salary is not large enough to attract men solely for the compensation, there is great opportunity for valuable public service. Well performed, this service will stand as a monument for the official. It is an opportunity worthy of the best efforts of a solid business man. But to the man who does not measure up to the job the office will be as a millstone about his neck."

MOORE-SAMPICH.

It will come as a surprise to many of the friends of Miss Corda F. Moore, of Ashland, to learn of her marriage April 7 to Mr. Wm. Sampich. The ceremony which was intentionally very simple yet beautiful, took place at the Centenary parsonage, Brother L. N. Family officiating.

Miss Moore was becomingly dressed for the occasion and travel. She will be remembered as a Sandy valley girl and was a very active teacher, having served in that capacity for the past three years in the Oakley schools, Ashland. She has endeared herself to the hearts of all whom she has been associated with.

Mr. Sampich is a young energetic business man of Detroit, where the young couple will make their future home.

Their many friends join in wishing them a long, happy and successful life.

Frankfort, Ky.—The filing in the Fayette Circuit Court for adding his son, Huber Hicks, a murderer; Chester Phelps, serving ten years for homicide, and Ray Blackburn defaulting State Board of Charities bookkeeper, to escape from the reformatory, will result. Alabama Lady Was Sick For Three

Years, Suffering Pain, Nervous

and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall,

of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her."

"I began to eat and sleep, began to gain my strength and am now well, and strong. I haven't had any trouble since... I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women do, take Cardui. It may help you, too.

Recommends Pe-Ru-NA for Cather of the Stomach,

Colds and Grippe

"I have used Pe-Ru-NA for several years and can heartily recommend it for cather of the stomach or any other trouble you may get benefit from it for colds and grippe. It stands off lots of doctor bills and makes one feel like a new person."

H. F. BUTTLE,

71, F. D. No. 3, Box 21, Waynesburg, Kentucky.

It is wise to keep a bottle of Pe-Ru-NA in the house for emergencies. Coughs and colds may usually be relieved by few doses of Pe-Ru-NA taken in time. Nasal cather, induration, constipation, diarrhoea, rheumatism or other trouble due to a catarrhal condition of the mucous membranes will call for Pe-Ru-NA as the successful treatment. The health building, strength restoring qualities of this well known remedy are especially marked after a protracted sickness, the grippe or Spanish Flu.

PE-RU-NA is justly proud of its record of fifty years as health protector for the whole family.

KEEP YOUNG

People with bad backs and weak kidneys are apt to feel old at sixty. Many old folks say Donn's Kidney Pills help them keep young. Here's a Louise case...

K. F. Vinson, Prop. of boarding house Water St., gave the following statement December 4, 1916: "Whenever I have a spell of kidney trouble or rheumatic complaint, I get a box of Donn's Kidney Pills at the Louisa Drug Store Co. and just a few mix me up in fine shape. My back gets lame when I overwork and I am subject to this rheumatic trouble after taking cold. This generally strikes me in the limbs from my hips down, acting like sciatica. The kidney secretions are then too free in passage, bothering me at night. This breaks my rest. All of the symptoms disappear, however, after I use Donn's Kidney Pills and I feel like a different person—strong and active."

On December 3, 1920, Mr. Vinson said: "I have just as much confidence in Donn's Kidney Pills today as when I gave my former statement. Since then I have used them a few times and they have always helped me."

Ex-Kaiser William's wife died a few days ago in Holland.

Men who give their time and energy free and freely to public improvements usually get credit for it after death, but very seldom before. They find many people ready to put obstacles in the way of every such undertaking.

England is struggling to settle a strike that has been called. It started with the action of coal miners, who came out several days ago, and all railroad men and other labor organizations are joining in the strike. It promises to be the most serious struggle ever known in England.

Congress assembled Monday in special session. President Harding in his message settled one question that had existed in the minds of the people. He declared for rejection of the League of Nations. The Johnson and Bush element of extremists are much divided over this feature, and those Republicans who have contended that the President was favorable to the League with reservations are considerably disengaged.

CHURCH NEWS AND OTHER MATTERS OF RELIGIOUS NATURE

Bishop Darlington at Paintsville. The baccalaureate sermon of Jno. C. Mayo College commencement will be preached by Bishop Darlington. We do not know the exact date. Preachers from most all the charges in the Ashland district will probably be present.

Self Examination for Fathers and Mothers.

1. Are all my children enrolled in our Sunday School?

2. Do I realize that the Sunday School is an present a necessary link in the education of my children, supplied by another agency?

3. Do I appreciate the difficulties under which the Sunday School does its work, namely: Voluntary attendance and voluntary instruction?

Have I given the Sunday School credit for what it has accomplished in the face of these difficulties?

4. Is my attitude toward our Sunday School such that my children, through me, respect the Sunday School?

FIRST BAPTIST CHURCH.

Last Sunday morning Dr. Anderson spoke on the Southern Baptist Convention's Twenty-Five Million Campaign, and there will be no doubt as to our church raising its pledge to this fund.

In the evening our pastor delivered the third of his series of sermons to young men, on "The Dangers of Bad Company." His subject next Sunday evening will be, "Some Rules for the Formation of Right Associates." These sermons are being heard by a large number of the young men of the town. Everybody is most cordially invited.

Owing to the fact that Dr. Anderson has been suffering from neuritis of the arms, the ordinances of baptism was deferred until next Sunday night.

The members of the church are especially urged to be present at the service next Sunday morning, as the pastor has a special message for them. The text of his sermon will be I. Cor. 13: chapter, and verses one to three. Subject, "The True Meaning of Love."

Rev. Harbin-Watson at Pikeville.

Rev. Harbin and his singer, Mr. Watson, are expected to pass through Louisa Saturday evening of this week on their way to Pikeville, where they will begin a series of revival services on Sunday, the 17th. It is expected that a number of Louisa people will be out to see them. They have just closed a very successful meeting at Beaumont, Texas.

We observe that this church has a silent member and while silent it is a valuable one financially, being the only member that turns over to the church all the income it receives. This member is the birthday jug.

It is pleasing to note that on last Sunday 21 members of the choir were present. If the number and interest increases more, room will be needed to accommodate them.

The three minute speakers last Sunday were Miss Clara Bromley, M. F. Conley and Mrs. Mary Horton, and Mrs. R. L. Vinson at prayer meeting on Wednesday night.

Those of the congregation who missed last Sunday's sermon lost an opportunity of hearing two excellent sermons. They were fraught with gospel truth and should be productive of much good.

Arrangements are being made to hold an encampment the week of Aug. 22 for the club members of Lawrence and Lloyd counties. As soon as they are completed more will be given out regarding the plans. In the meantime all club members should be making preparations to attend, and other boys and girls who are not members of the club should write the county agent before May 15th and join so as to be able to go along. The camp will be arranged so as to care for both girls and boys with matrons in charge.

Fruit in the county is practically all killed so we should plan our gardens so as to make up for shortages.

"Why don't you go on writing my speech?" said the orator.

"I am spellbound," replied his typist.

"Is my eloquence such an effect?"

"Yes, sir, I never worked for a man who used so many words I can't spell."

—Boston Transcript.

Father was giving the fair young daughter a lecture about her beau. He exclaimed, "Does he know who pays the light bills? Doesn't he know enough to go home at the right time?"

The daughter replied, "Yes, he knows enough to go, but he was sick last night."

With that father started again. "Don't tell me that a big husky fellow like him was sick. What on earth was the matter with him?"

As the fair young daughter started for the door she sang back, "He has heart trouble."

"Henry," said Mrs. Duhwalte, "a ragged tramp came to the house this morning who could quote Shakespeare."

"And you gave him something to eat?"

"Yes."

"That's right. He may have been a retired school teacher." —Birmingham Age-Herald.

An Irishman entering a shop where a notice was displayed saying everything was sold by the yard, asked for a yard of milk. The shopman dipped his finger in a bowl of milk and drew a line a rod long on the counter. The Irishman, not wishing to be caught in his own trap, asked the price. "Five cents," said the shopman. "All right, Roll it up; I'll take it." —Team Work.

They arrived hurriedly at the fifth inning.

"What's the score, Billy?"

"Nothing to nothing."

"Oh, goody!" she exclaimed. "We haven't missed a thing."

CAMP ZACHARY TAYLOR AT ABSOLUTE AUCTION

Beginning Monday, April 25, 1921, at 10 a. m.

And continuing day by day until all land, buildings and equipment have been sold. The properties to be disposed of at this sale, represent an outlay on the part of the Government of

Ten Millions of Dollars

All of which will be sold, in units, to suit purchasers at
The Greatest Auction Sale in History

Sectional view of one of the areas at Camp Zachary Taylor showing character of buildings to be sold.

This Army Camp comprises 2,000 acres of valuable land, adjoining the city of Louisville, together with 2,000 buildings of various sizes, and a vast amount of equipment, such as boilers, plumbers' supplies, stoves, hot water heaters, radiators, electrical equipment, motors, heating and refrigerating plants, etc.

THE BUILDING PROBLEM

For years building has been at a practical standstill. The high cost of material, especially lumber, and the scarcity of labor have compelled a stoppage in the erection of homes, storerooms, barns, etc. That time has now passed. Workmen have been released by the hundreds of thousands and Camp Zachary Taylor will release lumber and equipment. 68,000,000 feet of yellow pine will be disposed of at this sale and at such prices as bidders see fit to

pay. Come to this greatest of bargain sales and buy what you want at your own figures. Join with your neighbors in making up rear lots to save freight rates. A vast number of cedar, white oak, chestnut and crotched fence posts, water troughs and grain bins will interest every farmer. There are miles of woven wire hog-tight fencing. Two grain elevators, completely equipped with motors, conveyors and chutes.

OUR GUARANTEE

This is an absolute sale. You win or you lose on April 25th. We sell no one privately, but do an exclusive auction business. No set price, no reservation, no by-bidding, no private sale. This has been our motto for the twelve years we have been in business, during which time we have operated from the Great Lakes to the Gulf, and have never failed, or refused to sell a single piece of land, or property of any kind, after it was placed under the hammer. You make the price. The Government makes the deed. That's all.

Some FACTS About

Ford

THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit.

They show you just how many Ford cars and trucks have been built each month since January 1, 1921, and how many have been sold to retail customers, in the United States.

	Produced	Delivered to
JANUARY	29,883	57,208
FEBRUARY	35,305	63,603
MARCH	61,886	87,221

Total Production 127,074 Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt delivery.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.
